A discrepancy in terms is corrected by replacing “Fleet” with “Division.” SI C2 is replaced with the following.

C2 CHECK IN

[DP] [NP] Boats in Division C should not attempt to check in with the RC Signal Vessel.

An incorrect citation of a VHF channel is corrected. SI C6.1.1 is replaced with the following.

C6.1.1 If any part of a boat’s hull, crew or equipment is on the course side of the starting line at her starting signal and she is identified, she shall be considered On Course Side (OCS). She shall not attempt to clear herself, start, or restart, and shall, instead, sail to the first mark. The RC will attempt to broadcast her sail number on VHF channel 68. Flag X will not be used. This changes RRS 29.1.
