All sections will consist of spinnaker and JAM boats, each racing under their spinnaker or non-spinnaker LM-PHRF rating respectively. At the end of each series the Race Committee will evaluate each of the two top finishers in the Development & Discover Sailing sections and may, at their option, require the boat to move to a another section. The bottom two finishers in the Expert and Development Sections may, at their choice, move to the Development or Discover Sailing sections for the next series.

In the event of excessive boats in a single section, that class will be split by PHRF ratings.

8.2 Races will be started using rule 26, utilizing the following class flags and sequences ([Also see Attachment B](#)):

a. All Series

 **BLACK** - **Experienced**

 **BLUE** - **Development**

 **GREEN** - **Discover Racing**

8.3 The starting line will be between a staff displaying an orange flag or shape on the RC Boat and the course side of the starting mark for the course. The position of the RC Boat will depend on water depth around the start mark (i.e., the line may be reversed).

8.4 Boats whose preparatory signal has not been made shall keep clear of the starting area and of all boats whose preparatory signal has been made.

9. RECALLS

9.1. If an Individual Recall has been signalled, the RC will attempt to notify On Course Side (OCS) competitors over VHF Channel 69 or by hail.

9.2. If a General Recall is signalled, the starting sequence for any subsequent classes will not be affected and the start for the recalled class will be after the last regularly scheduled class. This changes RRS 29.2.

10. THE FINISH

10.1 The finishing line will be between a staff displaying an orange flag or shape on the RC Boat and the course side of the nearby mark of the course. The position of the RC Boat will depend on water depth around the finish mark (i.e., the line may be reversed).

10.2 The RC will remain on station at the finish until the time limit unless conditions dictate otherwise. If the RC is not on station, competitors shall take their own time when their bow crosses a line through the finish mark that is perpendicular to the last leg of the race and they are within 50 yds of the mark.

11. TIME LIMIT — Will be two and one-half (2 1/2) hours. Boats failing to finish within one (1) hour after the first boat in her class, but still racing, will be scored "Time Limit Failure" (TLF) and will receive one (1) more point than the last boat to finish. This changes RRS 35.

12. PROTESTS

- 12.3 Protest notices will be posted within 30 minutes of the protest time limit to inform competitors of the time and location of a hearing in which they are parties to or named as witnesses.

13. GROSS MISCONDUCT

- 13.1 Verbal abuse of the RC and/or Protest Committee will be considered an act of Gross Misconduct.
- 13.2 When a competitor and/or crew is found to have committed an act of Gross Misconduct, the penalty shall be a scoring penalty equal to 40% of the entries in the race for each incident. Additionally, the competitor and/or boat that was responsible for the crew may not discard this race in the series.

14. MEASUREMENT AND RATING

- 14.1 All competitors will use, or be assigned, PHRF Handicaps. For those participants who, at the time of registration, provide a LMPHRF certificate no older than two years and which still accurately represents the vessel's current configuration, their assigned rating will be as listed on the certificate (Spinnaker or Non-Spinnaker). All other participants will be assigned a rating at the Race Committee's discretion.
- 14.2 One Design yachts shall be sailed according to their one design class rules in order to receive the PHRF rating accorded to their design by LMPHRF.

15. SCORING

- 15.1 The Low Point scoring system, RRS Appendix A, will apply, except as modified below.
- 15.2 For the Spring and Fall Series, all races completed will count towards the series.
- 15.3 For the Summer and Twilight Series, 4 of the races completed will count towards the series.
- 15.4 To be scored overall for a Wednesday Night Series, a boat must compete in at least one half of the races completed in the series (number of races will be rounded up to the nearest whole number).

16. SAFETY — Competitors who withdraw from a race shall notify the RC over VHF Channel 69.

17. RADIO COMMUNICATION — A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. VHF Channel 69 will be monitored by the RC and they will only respond to competitors who identify themselves.

18. PRIZES — Will be awarded at the Club after each race at the direction of the RC and will be based on prizes available, but remember . . . **YOU MUST BE PRESENT TO WIN!!!** Series awards will be presented at the Annual GTYC Awards Banquet.
