- 17.2. Each sailor is aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their equipment to such inherent risk while taking part in the event;
- 17.3. Each sailor is responsible for the safety of themselves and their equipment and other property whether afloat or ashore;
- 17.4. Each sailor accepts responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- 17.5. Each sailor must ensure their equipment is in good order, equipped to sail in the event and they are fit to participate;
- 17.6. The provision of a race management team, safety boats and other officials and volunteers by the race organizer does not relieve any sailor of their own responsibilities;
- 17.7. The provision of safety boat support is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- 17.8. The fact that the Race Committee conducts inspections, or not, of equipment does not reduce the responsibilities of each competitor set out in this Notice of Race.
