# Sailing Instructions

## 1 RULES

- 1.1 Racing will be governed by the Racing Rules of Sailing (RRS), including the Notice of Race for the R Sn YC Passage Series 2019.
- 1.2 Boats shall comply with Southampton Harbour Bye-Laws. In particular, attention is drawn to Notice to Mariners No 14 of 2019.
- 1.3 For the Round Wight by Night outward race: from 20 minutes after the start on Friday until 0800 on Sunday morning 22nd June, the rules of Part 2 of the RRS are replaced by the right-of-way rules of the International Regulations for Preventing Collisions at Sea (IRPCAS).

## 2 SAFETY

- 2.1 No anchor shall be carried forward of the stem or with any part of it outboard, except when anchoring.
- 2.2 Retirement. A boat that retires from a race shall notify the Race Committee (RC) by VHF radio before leaving the race area, or by notifying the Race Office at the Royal Southern YC (R Sn YC) no later than immediately after arriving ashore.

## 3 NOTICES TO COMPETITORS and CHANGES TO NOTICES OF SERIES OR SAILING INSTRUCTIONS

- 3.1 Notices will be posted on the official notice board (ONB) located in the main entrance area of the R Sn YC.
- 3.2 Any change to the SIs will be posted by 0830 on the day it will take effect, except that any change to the

schedule of races will be posted by 1900 on the day before it takes effect.

- 3.3 Race information and changes to SIs may be announced by VHF on the water before the warning signal in accordance with RRS 90.2(c).

## 4 SIGNALS MADE ASHORE

- 4.1 Signals made ashore will be flown at the RSrNYC flagstaff. Should the RC decide to postpone or cancel a race, the appropriate signal will be flown at the RSrNYC flagstaff. When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 60 minutes' in RRS Race Signals AP. This changes RRS Race Signals.

## 5 RADIO CHANNELS

- 5.1 The RC will use VHF channel 72. If transmissions on this channel fail or are blocked, IC flag "R" will be displayed on the committee boat and channel 77 will be used instead.

## 6 COURSES

- 6.1 The Class flag for all boats is numeral pennant 8. Boats need not display the class flag although it is helpful to the RC if they can do so. All boats will start and race together but will be scored in separate IRC and Club classes.
- 6.2 Each event comprises two races, an outward race and a return race.
- 6.3 Start times and locations can be found in Table 6.3 below.

**Table 6.3: Start times and locations**

## 7 COURSES and MARKS

7.1 For each race, there are several possible pre-set courses, in the Appendices:

- Round Wight by Night Appendix 2
- Poole & Back Appendix 3
- Hamble Scramble Appendix 4

The courses include marks shown in the Royal Southern YC Solent Marks 2019 List and other marks.

7.2 Courses will be advised on the designated VHF radio channel at least 10 minutes before the start of the race.

7.3 If weather or other circumstances require a change then a different (non-pre-set) course may be set. This will be announced in detail on VHF radio.

## 8 THE START

8.1 Each race will be started EITHER by a stationary committee boat OR by a Gate Start. If a Gate start is used, International Code "G" will be displayed on the committee boat for at least 10 minutes before the start.

8.2 All boats will start at the same time.

8.3 The "5-4-1-go" sequence of RRS 26 will be used. To alert boats that the start sequence will begin soon, an orange flag will be displayed with one sound signal five minutes before the Warning signal.

### 8.4 Stationary Committee Boat Start

- (a) The Starting Line will be between a staff displaying an orange flag on the main committee boat and the outer distance mark (ODM).
- (b) Subject to (c) below, a boat that does not start within 10 minutes of the starting signal may be scored DNC or DNS.
- (c) If a competing boat is used as the stationary committee boat, she shall start without delay after the other boats and within 30 minutes of the starting signal. She will start by passing within 30 metres of the ODM and her elapsed time for the race will be calculated from the moment she starts.

### 8.5 Gate Start

- (a) The committee boat will display International Code "G" from at least 10 minutes before the start until all competitors have started or 10 minutes after the starting signal whichever is earlier.
- (b) A Pathfinder boat (PF), which may be the committee boat, will beat on port tack from close to the mark designated as ODM in the Course. The Starting Line is between the stern of the PF and the ODM.

(c) The PF will be released and the Starting Line closed three minutes after the starting signal; or when all other competitors have started; or when she tacks onto starboard; or when the race is abandoned - whichever is earliest.

(d) The PF is granted right of way over all other competing boats, which are required to keep clear of her, from the time of the Preparatory Signal until the PF is released. This changes RRS Part 2 Section A and Section C.

## 9 THE FINISH

9.1 If a finish boat is on station, the finishing line is between a staff displaying an orange flag on the finish boat and the nearby finishing mark. The committee boat will display R Sn YC identification and/or a blue flag.

9.2 If a finish boat is not on station, boats shall sail close to the finishing mark (normally within 30m unless it is unsafe to do so) and shall record their own finishing times; and if possible also identify the name and sail number of the boats immediately in front and behind. After finishing boats shall provide these details by telephone to the race office at RSrNYC, or to the RC via VHF radio and await an acknowledgement.

## 10 TIME LIMIT

10.1 For the outward race of Round Wight by Night scheduled to start on Friday 21 June, the time limit applicable to all boats is 1800 on Saturday 22 June.

10.2 For all other races, the time limit applicable to all boats is 1900 on the day of the race.

10.3 Any boat that does not finish by the time limit may be scored DNF. This changes RRS 35.

## 11 PENALTIES

11.1 The One-Turn and Two-Turns penalties of RRS 44.1 will not apply. Instead, Scoring Penalties will apply as described in RRS 44.3 except RRS 44.3(c) is changed so that the penalty will be 1% of the boat's elapsed time.

11.2 A boat that may have broken a rule of Part 2 or rule 31, but which does not take a penalty in accordance with SI 11.1 or 11.2 above, may take a time penalty as follows:

- (a) if she informs the RC before the expiry of the protest time limit, her penalty will be 3% of her elapsed time.
- (b) If she informs the RC later than that but before the start of any hearing concerning the incident, her penalty shall be 5% of her elapsed time.

11.3 If a boat caused injury or serious damage or, despite taking a penalty, gains a significant advantage in the race or series by her breach, her penalty shall be to retire.

- 11.4 A boat shall not be scored as having finished out of time under SI 10 solely by application of a time penalty.

## 12 PROTESTS and REQUEST FOR REDRESS

- 12.1 Boats intending to protest or acknowledging an infringement shall report this to the RC as soon as possible after the end of the race in question. This changes RRS 61.1(a).
- 12.2 Protest forms are available from the Sailing Office at the RSrNYC. Protests for the outward or return races of the event must be lodged in writing at the sailing office within 30 minutes of the return of the finishing committee boat to the Prince Philip Yacht Haven, or within 60 minutes of the last boat to finish if there is no finishing committee boat. The protest time limit will be posted on the ONB.
- 12.3 Notice of protests by the Race Committee or the Protest Committee (PC) will be posted on the ONB. This changes RRS 61.1(b).
- 12.4 A list of protests will be displayed on the ONB within 15 minutes after the protest time limit along with time and place of the protest hearing. This changes RRS 63.2.
- 12.5 Protests may be heard at the RSrNYC as soon as possible after racing on the day of the incident, or at a later date at the discretion of the protest committee .
- 12.6 A request for reopening a hearing, or a request arising from a PC decision, shall be delivered no later than 30 minutes after the requesting party was informed of the decision. This changes RRS 62.2 and 66.
- 12.7 Penalties arising from hearings are at the PC's discretion and may be less than DSQ, may affect any number of races, or may be non-discardable. If the PC considers that points for retiring from a race make an insufficient penalty in the circumstances, it may impose a higher penalty. This changes RRS 64.1.

## 13 SCORING

- 13.1 The scoring arrangements are set out in the Notice of Race.

## 14 PRIZES

- 14.1 Prizes will be awarded to each class for each event. The prize giving will take place on Sunday, as soon as convenient after racing and any relevant protests.

- 14.2 Boats that have elected to sail in IRC or Club class with only two persons aboard and have informed the race committee at least 24 hours before the race in question may be eligible for an extra prize for the Series if enough such boats enter in each race.

- 14.3 Other prizes or trophies will be presented at the prize giving dinner on Saturday 9<sup>th</sup> November 2019, attendance at which is by invitation.

## 15 RISK STATEMENT

- 15.1 **Attention is drawn to the Risk Statement and Insurance requirements** set out in the Notice of Race paragraph 10 and the undertaking by the competitors in the Entry Form to accept the Notice of Series and comply with its provisions.
