- 2.2 RRS 52 is changed as follows: Power-driven winches and mechanical and electro-mechanical steering devices are permitted.

3. ELIGIBILITY AND ENTRY

- 3.1 These Races are open to all boats of at least 22 feet length overall. Boats must have auxiliary power capability, and comply with United States Coast Guard recreational safety requirements. 5. SCHEDULE

- 5.1 Each Race will begin at 1245 hours on the dates outlined in Section 1.
- 5.2 The time limit for each Race will be 1600 hours, plus the amount of any postponement.

6. MEASUREMENT AND RATINGS

Because boats are of different sizes and speeds, it is necessary to use a handicapping system to properly score each Race. Each boat that enters one or more of the Races will receive a CASRA handicap rating for this purpose. To assist in the rating process, a member of the CASRA Handicap Committee may contact owners to obtain additional information about their boat, including information as to modifications that have been made from its original condition. This rating is only valid for the events described in this Notice.

7. SAILING INSTRUCTIONS

Sailing Instructions provide additional details concerning the conduct of each race. They will be available prior to May 1, 2019 at www.chicagosailracing.org. In the event of a conflict between this Notice of Series and the Sailing Instructions, the Sailing Instructions shall control.

8. VENUE AND COURSES

The venue for the Races will be the Chicago waterfront on Lake Michigan, with specific starting areas outlined in the Sailing Instructions.

9. PENALTY SYSTEM

Skippers are strongly encouraged to avoid contact with other boats. In the event of a penalty, the RRS will apply as written, including RRS 44.1.

10. SCORING

- 10.1 Each Race will be scored individually. Section breaks will be assigned for scoring purposes, and may be set after the completion of each Race. Boats will have the option of racing in a "Jib and Main" division, or a "Spinnaker" division. Each division will be scored separately. In addition, all six races will be scored as a series, using a boat's five best races. This changes RRS Appendix A2.1.
- 10.2 The Low Point System (RRS A4) will be used to determine overall winners.

11. RADIO COMMUNICATION

To facilitate sharing of information and learning, boats are permitted to make voice or data transmissions via VHF radio, and may provide advice and coaching to each other. This changes RRS 41.
