

Lake Max Vanguard 15 Series Presented by Sail22
May 23, 2020 (Two of Three)

Amendment #1 to the Sailing Instructions

Social Distancing Expectations

Food and Water

Please bring your own food, water, and reusable water bottle. This includes a personal beer cooler. We will not have a community beer cooler to avoid the spread of germs. You will be hungry when you get off the water, make sure you have something to eat. **NO GLASS**

Hand Sanitizing and Hand Washing

A hand sanitizing station will be provided at the boat launch and at Sail22

Bathrooms

There are no bathrooms available at the boat launch. Bathrooms are located at Sail22, 1 mile away from the ramp. Please plan accordingly

VHF

We are requiring all boats to carry a VHF. If you do not have one please contact Meghan O'Rourke. There are 4 available to rent.

6 Feet Apart

It is **VERY** easy for us to slip into our old habits. We need to be conscious of staying 6 feet apart. **Please have a mask/Buff/Gaiter for times you need to be closer when rigging or helping someone else.**

Debrief

There will be no debrief directly after racing. We will have a virtual debrief led by Andy Camarda via Zoom Call Tuesday 5/24 7pm CST.

Groups

Due to the large turn out we have divided participants into separate groups. Please see the next page for more information.

Schedule of Events

To ensure social distancing occurs we have divided into two groups. Please follow your schedule.
